

Membership Benefits and Responsibilities

Member Benefits:

- Expand diabetes knowledge, skills and leadership,
- Increase and promote partnerships through networking,
- Influence state policy and coordinate activities, and
- Celebrate statewide progress in reducing the impact of diabetes and its complications.

Member Responsibilities:

- Designate a representative from your organization and one alternate,
- Attend two meetings per year,
- Actively participate and contribute to one workgroup or committee to help implement the Michigan Diabetes Strategic Plan,
- Abide by the provisions of the DPAC Charter, and
- Keep an open and creative mind, working with partners across the state to reduce the impact of diabetes in Michigan.
